PO Box 1450
Alexandria, VA 22313-1450

Sir:

Statement of Facts

In the original Declaration under 37 CFR 1.63 submitted on July 11, 2003 in the above-named application, Seok KIM, Yongju JUNG, and Jan-Dee KIM were named as inventors of the subject matter of the application.

An assignment of the entire right, title and interest of the invention that is the subject matter of the application to SAMSUNG SDI CO., LTD., a Korean corporation (hereinafter, "Assignee") was executed by all of the originally named inventors. The assignment is recorded at Reel 014275, Frame 0995.

A Request for Correction of Inventorship under 37 CFR 1.48 is being filed concurrently in the above-identified application to add previously unnamed persons Yunsuk CHOI and Soo Seok CHOI as additional inventors of the subject matter of the application.

Pursuant to the requirements of 37 CFR 1.48(a)(3), a Supplemental Declaration under 37 CFR 1.63 naming Seok Kim, Yongju JUNG, Yunsuk CHOI, Soo Seok CHOI, Jan-Dee KIM, as inventors of the subject matter of the application is submitted with the Request for Correction of Inventorship. The Supplemental Declaration is executed by Yunsuk CHOI, Soo Seok CHOI

and Jan Dee KIM. However, Seok KIM, Yongju JUNG, who executed the original declaration and assignment, have left Samsung SDI Co., Ltd. and therefore, their signature to the Supplemental Declaration has not been obtained.

A Consent of the Assignee is submitted with the Request for Correction of Inventorship.

This Petition is accompanied by the petition fee of \$400.00 set by 37 CFR 1.17(f).

Requested Action

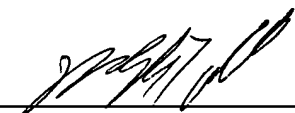

In view of the above, Applicants respectfully request that the requirement of 37 CFR 1.64 that the Supplemental Declaration be made by all of the inventors be waived. It is respectfully submitted that this requested action is appropriate in view of the fact that Seok KIM, Yongju JUNG, whose signature on the Supplemental Declaration has not been obtained, did sign the original Declaration and assigned their entire right, title and interest of the invention to the Assignee, who has consented to the correction of inventorship.

If there are any additional fees associated with filing of this Petition, please charge the same to our Deposit Account No. 503333.

Respectfully submitted,

STEIN, MCEWEN & BUI, LLP
